

Press release 24th of October 2006**ITAB Shop Concept has signed two agreements with both Järnia and Lindex about delivery of shop fittings**

ITAB Shop Concept, with registered office in Jönköping and shares subject to trading on First North, has through subsidiaries signed two agreements with Järnia and Lindex about delivery of shop fittings. The order value for both agreements is for one year SEK 30 million.

An agreement for two years with option to extension has been signed with the Järnia-Group. The agreement includes project management, delivery and installation of shop fittings to Järnia-stores in Norway and Sweden.

Agreement has been signed between Lindex and ITAB about delivery of shop fittings to stores on all their markets. The agreement is for one year with an automatically extension if none of the parts give notice about it.

ITAB Shop Concept supplies complete shop fittings for the food and non-food business. The activities consist of project management, design, development, manufacturing and sales. The concept range includes shop fittings mainly in wood and metal, shop equipment such as checkouts and entrance systems as well as internally developed products. The yearly turnover in ITAB Shop Concept is approximately SEK 2.000 million and has 1.300 employees.
